- Vercel
-

3. WEBSITE STRUCTURE (PAGE LIST)

Structure same as demo but customized for Vedanco:

1. Home
2. About
3. Services
 - Website Development
 - Mobile App Development
 - Custom Software Development
 - SaaS Development
 - ERP / CRM Solutions
 - API Integrations
 - UI/UX Design

- Cloud & DevOps
 - 4. Technologies
 - 5. Portfolio (Projects)
 - 6. Process
 - 7. Careers
 - 8. Contact
 - 9. Get a Quote (CTA)
-

4. PAGE-BY-PAGE CONTENT & REQUIREMENTS

★ 4.1 HOME PAGE

Sections Required (Based on Demo)

1. Hero Section

- Large bold heading
- Subheading
- CTA buttons: **Get Quote**, **Contact Sales**
- Animated background

Content:

Headline:

Build. Scale. Innovate.

Subline:

Vedanco IT Solutions builds high-quality digital products—websites, apps, software, automation & cloud solutions.

2. Companies Trust Section

Logos slider (5–10 logos placeholder) uses infoxoras.com (this past company)

3. Our Services (8 cards)

Exactly like demo layout, but with your services:

- Website Development
- App Development
- Custom Software
- SaaS Development
- ERP/CRM
- API Integrations
- UI/UX
- DevOps & Cloud

Each card needs:

- ✓ Icon
 - ✓ Title
 - ✓ One-line description
 - ✓ “Learn More” link
-

4. About Section (Left image + Right text)

Content:

Vedanco IT Solutions is a 360° IT development company delivering world-class technology solutions for startups, enterprises & global brands.

5. Projects / Portfolio Preview

- 4–6 cards

- Hover animation
 - CTA: “View All Projects”
-

6. What We Build (Capabilities Section)

Similar to demo:

- Websites
- Mobile Apps
- SaaS Platforms
- Automations
- Cloud Infrastructure

Output: 5 capability blocks with icons.

7. Why Choose Us

4–6 feature blocks:

- Fast Delivery
 - Expert Engineers
 - Affordable Pricing
 - 24/7 Support
 - Scalable Solutions
 - Secure Architecture
-

8. Testimonials Slider

3–5 testimonials
(Use dummy content)

9. Contact CTA Section

Dark background → “Let’s Build Your Next Project.”

4.2 ABOUT PAGE

Sections:

- Company introduction
 - Mission & Vision
 - Experience numbers
 - CEO section
 - Our values
 - Our clients worldwide
 - Team section (optional)
-

★ 4.3 SERVICES PAGE (MASTER)

List all 8 services in grid view.

Each service card:

- Icon
 - Title
 - Short text
 - CTA
-

★ 4.4 INDIVIDUAL SERVICE PAGES (8 Pages)

Each page must include:

1. Banner (title + subtitle)
2. What we offer
3. Why choose us
4. Technologies used
5. Process
6. Portfolio examples
7. CTA

I will generate content for all 8 pages (ready to paste).

★ 4.5 TECHNOLOGIES PAGE

Show all tech stacks:

Frontend

React, Next.js, Vue, HTML/CSS/JS

Backend

Node.js, Laravel, PHP, Python

Mobile

Flutter, Kotlin, Swift

Database

MongoDB, MySQL, PostgreSQL

DevOps

AWS, Azure, Docker, CI/CD

★ 4.6 PORTFOLIO PAGE

Grid of 6–12 projects:

(Use placeholders—developer must add logic to upload projects.) uses infoxoras.com (this past company)

★ 4.7 PROCESS PAGE

5-step process with icons:

1. Discovery
 2. Wireframe
 3. Design
 4. Development
 5. Testing
 6. Launch
-

★ 4.8 CAREERS PAGE

Sections:

- Why work with Vedanco
 - Open positions (dynamic list)
 - Apply now form
-

★ 4.9 CONTACT PAGE

Include:

- Map
- Form
- Company details

- WhatsApp button
-

5. GLOBAL COMPONENTS REQUIRED

Developer must build reusable components:

1. **Navbar**
 2. **Hero Banner**
 3. **Footer**
 4. **CTA Strip**
 5. **Services Card Component**
 6. **Project Card Component**
 7. **Reviews Slider**
 8. **Contact Form**
 9. **Tech Icons Component**
-

6. SEO REQUIREMENTS

On-page SEO:

- H1 on every page
- Meta title + description
- Schema markup

- Image alt tags
- 90+ Lighthouse score

Keywords:

- IT company in Gujarat
 - Software development company
 - App development India
 - SaaS development agency
